Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Cape Cod Community College and their Dental Hygiene Program Expansion project. Federal funding for this project will go towards the modernization of existing lab and classroom spaces, simulation workspaces, as well as expansion of faculty and support staff. This Community Project funding also makes more effective use of existing facilities by reconfiguring the dental hygiene teaching and learning labs. With a modest addition of six additional patient stations, we will enable a 50% increase in the number of students admitted to the dental hygiene program along with our first cohort of dental assisting students. Total funding amounts to \$1,780,000.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

William R. Keating
Member of Congress
